

Strategic Plan 2006 – 2009

Vision

Altiora Peto

'I seek higher things'

Mission

To be the pre-eminent educator
of young men in New Zealand

Values

Our actions are guided by ...

- Respect and care for self and others
- Intellectual curiosity for lifelong learning
- Pride with humility
- Personal responsibility and self-discipline
- Balance in life
- Participation and leadership
- Appreciation of being Male
- Connectedness within the school family

Strategic Goals (our goals are at or above the NAGS)

1. Build a Smart School

Run the school in a business like way (environment, communication, technology) to ensure excellent teaching in the classroom

2. Develop Excellence in Educational Leadership

Taking a stand on the things that matter - curriculum and assessment

3. Attract, Grow and Retain Fantastic Teachers

Achieve and recognise teaching excellence - professional development

4. Every boy has a plan - career and lifelong learning

We are the 'school of choice' for employers

5. Develop fine young men

Celebrate maleness, participation, service, and leading from any position - striving for 'excellence' over 'achieved'
