

AWARDS

The School Blazer Pocket is a regular black blazer, cloth edged with blue. Bearing on the left pocket CBHS and on the right breast pocket the name of the sport or activity and the year of the award in BLUE.

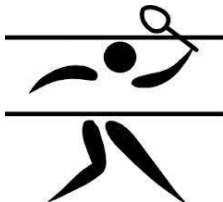

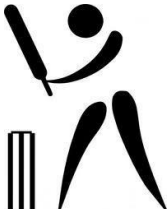

Standards for the Award of Colours and Blazers

Qualification: The blazer pocket shall be awarded by the Headmaster. The criteria laid down in each activity will have been met and it is mandatory that after a blazer pocket has been awarded no change in activity is possible in the year - a boy awarded a tennis pocket in Term 1 may not change to cricket in the 4th term.

Criteria:

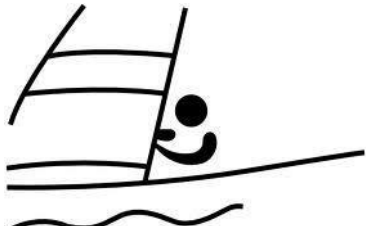

- The student must represent Christchurch Boys' High School in competition or event(s).
- The student's attitude and discipline on the field during the season has been exemplary.
- The student has been a role model to other students in the classroom and around the school at all times.
- The student has had a good attendance record at school.
- In the event of no interschool competition being held in a sport, awards may still be made at the discretion of the committee.
- Where a boy has, through injury, been unable to meet the constitutional requirements for an award, the committee may approve an award if it is satisfied that a satisfactory standard would have been attained had injury not occurred.
- Number of awards: In team games the number of blazer awards may be greater than the number in the team. For awards in excess of that laid down, a full submission must be made to the committee.

These are awarded to players in CBHS teams who win the premier New Zealand Secondary Schools title (first team only)

Gold Colour Awards

The award of a Gold school colour allows the recipient to have the sport and year embroidered in GOLD on the right pocket.

Qualifications to be considered for the award:

- Exceptional merit at the highest school boy level in the particular activity concerned and adequate representation for the school. This is usually selection in a New Zealand Secondary Schools team or at U18, U19 and U20 level.
- Sportsmanship and general character and conduct.

Year 9 and 10 pupils are eligible for Colour Awards but will wait until Year 11 to have the colour embroidered on their blazer pocket
