

# 2022 ANNUAL PLAN

The 2022 CBHS Annual Plan sets out actions intended to ensure progress towards Christchurch Boys' High School's Strategic Priorities.

Christchurch Boys' High School's Strategic Priorities are targeted towards our mission of developing fine young men who are morally courageous and who strive for personal and community success.

	LEADING CULTURE	RESILIENT RELATIONSHIPS	TEACHING AND LEARNING	STAFF DEVELOPMENT	FUTURE SUSTAINABILITY
STRATEGIC PRIORITIES	Our culture is driven by positivity and integrity and enables the school community to work together with aroha.	Relationships across the school community are purposeful. They are based on respect and developed through learning conversations.	We are purposeful and deliberate in our teaching of academic skills and character both inside and outside the classroom.	Staff are empowered and supported to adapt and lead with humanity in a changing world.	The school invests in its long-term sustainability. We act as stewards for current and future students so that they can benefit from high quality facilities and a wide curriculum.
2022 ACTIONS	<b>1</b> Strengthening the house system. <b>2</b> Increasing student voice. <b>3</b> Increasing the sense of staff ownership in CBHS. <b>4</b> Undertaking team and individual leadership training.	<b>1</b> Introduction of Senior Health Resources. <b>2</b> Maintaining a principle-based approach to dealing with Covid 19 and other disruptions. <b>3</b> Focusing on what diversity and inclusion mean for CBHS in the future.	<b>1</b> Deliberately teaching revision and self-management skills. <b>2</b> Preparing for changes to NCEA.	<b>1</b> Implementing the new Professional Growth Cycle. <b>2</b> Developing the knowledge and competence of all staff in Te Ao and Te Reo Maori.	<b>1</b> Focusing on financial sustainability of co-curricular activities.

## IN 2022 CHRISTCHURCH BOYS' HIGH SCHOOL'S GOALS ARE TO DELIBERATELY AND PURPOSEFULLY...

- 1** Improve the sense of ownership in and accountability for CBHS amongst all students and staff.
- 2** Improve our ability to engage in conversations that challenge and explore the society we live in.
- 3** Improve student revision and self-management skills and our belief that every student can succeed.
- 4** Maintaining a principle-based approach aligned with our culture when meeting challenges.
