

Reader/Writer

A Reader/Writer has an important role at Christchurch Boys' High School. Your assistance makes a big difference to these students' lives.

The aim of the Reader/Writer is to assist the candidate to overcome their learning difficulty during an assessment activity for both internal and external examinations, and for practice assessments.

You may be reading the activity brief or questions for the candidate, or writing for the candidate, or reading and writing for the candidate.

Full training is provided for these paid roles.

Please be advised that potential Reader/Writers will be required to:

- Sign a police vetting consent form which can be collected from the CBHS office or download from the [NZ Police website](#).
- Bring two forms of ID in accordance with the [police vetting guide](#) to the CBHS office to be sighted. The most common forms of ID are passport and drivers licence.
- Provide the name and contact details for at least one referee to complete a [Safety Check](#) required under the Children's Act.

If you are keen to assist, please email Pete Chaplin cpp@cbhs.nz with your name, contact telephone number and a Curriculum Vitae if you have one.
